Siti Nuraeni

Junior Software Developer

👤 Profile

As a highly motivated computer science student with a strong passion for software development, I am excited to apply for software developer internship opportunity. With a solid foundation in programming languages and a proven ability to learn and adapt quickly, I believe I have the skills and drive to make a valuable contribution to your team. I am eager to bring my enthusiasm, problem-solving skills, and attention to detail to a challenging and rewarding work environment, and to gain practical experience and build my professional skills through this internship.
